VINTAGE MALL CRAWL

A guided hunt through Phoenix's best antique malls

Saturday, September 26, 2026

8:30 AM - 4:45 PM

Merchant Square
1509 N Arizona Ave, Chandler, AZ 85225

ANTIQUES · MID-CENTURY · VINTAGE CLOTHING · ODDITIES · COSTUME

A loop through seven antique malls across the Valley, run as a shared hunt rather than a shopping trip. You get a crew of two to four, a radio, and everybody else's list. No collecting experience needed — just an eye for the interesting.

❖ The Ask Box

Write yours at 8:30 in the lot

Everyone writes down one thing they're hunting and drops it in the box. Then you carry six other people's lists as well as your own — and they carry yours. One pair of eyes becomes twenty.

What to bring

Cash in small bills — booths negotiate, cash wins. Bring a card too; the bigger malls take them and the good stuff is rarely the cheap stuff. A wish list: write down what you're hunting before you arrive, even loosely — that list goes in the Ask Box and becomes six other people's eyes. Costume ideas count: Under the Celtic Veil is 24 October, and these malls are where that outfit is hiding. Water, sunscreen, and shoes you can stand in for six hours.

The route

Meet in the Merchant Square lot at 8:30. Each crew drives its own route from there, so you keep your car all day. Bonus stop on N 7th St for anyone still going.
